Dear Sir/Madam:

**Re: British Columbia Financial Responsibility Certificate (BC Insurance Filing)**

We have received the required documentation which allows us to grant you an insurance filing in British Columbia. Your BC Financial Responsibility Certificate number is **02419**.

You must quote this number:

- upon request at BC Weigh Scale stations for commercial vehicles travelling into British Columbia; or
- when purchasing a Non-Resident Commercial Vehicle Permit for any non-BC based licenced vehicles which are registered in the name presented above, without having to obtain BC liability insurance; or
- when making an application for a Non-Resident Vehicle Permit (students or military personnel-in-training).

This filing is **not valid for the purchase of BC plates 'insurance exempt'** nor does it exempt you from paying fuel tax, licence/permit fees or from obtaining any Motor Carrier Authority you may require.

This filing will remain in effect until we receive a notice of cancellation from your insurance company.

Yours truly,

Lesley Pollock  
Manager  
Specialty Licensing/Insurance
